Chapter I CYCLO-CROSS EVENTS

§ 1 General Rules

5.1.001 The category which will be applied for entries to races for the entire season is the category to which the rider will belong on 1 January of the following calendar year.

Men
The category men junior shall comprise riders aged 17 to 18.
The category men under 23 shall comprise riders aged 19 to 22.
The category men elite shall comprise riders of 23 years and above.

Except in the UCI cyclo-cross world championships, UCI cyclo-cross world cup events, when those include a separate men under 23 race, and, at the discretion of continental confederations or respectively national federations, continental and national championships, men under 23 can ride in the race for men elite, even if a separate race is being run for under 23 riders.

If men under 23 and men elite compete in the same race, meaning same start time and same race distance:
− no separate results are made up,
− UCI points are awarded according the elite points scale,
− in case of championships, only one title is awarded (for example, should an under 23 rider win the race, he shall be awarded the elite title).

Women
The category women junior shall comprise riders aged 17 to 18.
The category women under 23 shall comprise riders aged 19 to 22.
The category women elite shall comprise riders of 23 years and above.

Except in the UCI cyclo-cross world championships, and, at the discretion of continental confederations or respectively national federations, continental cyclo-cross championships and national championships, women junior, women under 23 and women elite shall ride in the same race.

If two or three of the categories women junior, women under 23 and women elite compete in the same race, meaning same start time and same race distance:
− no separate results are made up for the grouped categories,
− UCI points are awarded according the elite points scale,
− in case of championships, only one title is awarded (for example, should an under 23 rider win the race, she shall be awarded the elite title).

Masters
All riders who hold a Masters licence may ride in the UCI masters world championships. However the following riders are not eligible:
1 Any rider who has ridden in the UCI cyclo-cross world championships, continental championships or UCI cyclo-cross world cup during the current year,
2 Any rider, who has been a member, during the current cyclo-cross season, of a team registered with the UCI,
3 Any rider classified with at least 100 points in the UCI individual cyclo-cross ranking published after the first UCI cyclo-cross world cup event of the current cyclo-cross season.

In races other than the UCI masters cyclo-cross world championships, riders may participate with a temporary or daily licence, issued by their national federation.

The licence must clearly state the starting and finishing dates of its period of validity. The national federation shall make sure that the holder of a temporary licence will, for the duration of his licence, benefit from the same insurance cover and other benefits as those attached to an annual licence.

UCI recognised teams
Riders, men and women, belonging to the following teams are allowed to race cyclo-cross events under the name and the clothing of their respective team, at the exception of races where the national outfit is mandatory as per the article 1.3.059:

(*article modified on 1.09.04; 1.07.10*).

5.1.029 The double pit area must be set up in an area where two sections of the course are close enough together and the distance along the course between the successive pits is more or less equal each way.

(*article modified on 1.09.04*).

5.1.030 *For UCI world championships, the location for the double pit area shall be set by the UCI technical delegate.*

(*article introduced on 1.09.04*).

5.1.033 At the side of the pit lane a zone at least 2 meters deep shall be set aside for riders’ mechanics and their equipment.

(\textit{article modified on 1.08.00; 1.09.04}).

5.1.034 In double pit areas provision must be made for a water supply for cleaning of equipment. For single pit areas, the water supply must be in the immediate proximity such that mechanics do not have to cross the course to access it.

If a water tank or connections for high pressure cleaning apparatus are provided, they must be made freely available.

At UCI cyclo-cross world championships and UCI cyclo-cross world cup events the organiser must provide eight high-pressure cleaners in the pit area. Personal high pressure cleaners are forbidden in the pit area during the UCI cyclo-cross world championships, the UCI cyclo-cross world cup and the continental cyclo-cross championships.

(\textit{article modified on 1.09.98; 1.09.04; 28.06.17}).

\textbf{Boxes}

5.1.035 At UCI world championships, UCI world cup events and continental championships the pit areas must be at least 70 meters long.

Along the pit lane provision must be made for 15 boxes marked off by barriers with a width of 4 meters (see annex 2).

For class 1 events the pits must be at least 60 meters long and at least 12 boxes must be provided.

Only two accredited assistants per rider shall be allowed in the box of this rider.

(\textit{article modified on 1.08.00; 1.09.03; 1.09.04; 1.02.07; 1.07.10}).

5.1.036 At UCI world championships, UCI world cup events and continental championships, the pit boxes are allocated at the team managers meeting, as follows:

1. Separately for each category on the basis of the most recently published UCI cyclo-cross ranking by nation of the current season for the category concerned (or the final ranking of the previous season if no ranking has yet been published for the current season);

2. The allocation of boxes to teams that do not feature in the relevant ranking shall be by drawing lots;

3. The team leaders shall select their preferred box in the order thus determined.

(\textit{article modified on 1.09.9; 1.09.05; 1.09.08; 1.07.09; 1.07.10}).

5.1.037 [\textit{article abrogated on 1.09.08}].
Equipment changes

5.1.038 A rider may only take the pit lane to change his bicycle, wheel(s) or for other mechanical assistance.

Should a rider take the pit lane for any other reason, the commissaires shall decide and the decision shall be final.

(article modified on 1.09.04; 1.07.10; 16.06.14; 1.07.15; 7.06.16).

5.1.039 Equipment changes must be carried out within the confines of the pit lane and at the same point.

A rider who has passed the end of the pit area must continue to the following pit area for any bicycle or wheel change. A rider who is still in the racing lane may enter the pit lane as long as he retraces his route in the racing lane and enters the other lane at its start without obstructing other competitors.

(article modified on 1.08.00; 1.09.03; 1.09.04; 1.09.05).

5.1.040 Changes of wheel or bicycle between riders are forbidden.

Attendants

5.1.041 Each rider may be accompanied by a paramedical assistant and two mechanics.

The paramedical assistant and the mechanics must be provided by the organiser with a free accreditation, which gives them access to the area reserved for them by virtue of their office.

The accreditations must be distributed outside the circuit, in a clearly indicated place.

For the UCI cyclo-cross world cup and UCI world championships, accreditations for rider’s paramedical assistant and two mechanics will be distributed by commissaires exclusively, after that the license’s check of each paramedical assistant and the mechanics has been completed.

(article introduced on 26.06.07; modified on 7.06.16).

It must be designated by a specific name and be registered with the UCI as provided in these regulations.

5.5.003 The sponsors are individuals or incorporated bodies who contribute to the funding of the UCI cyclo-cross team. Among the sponsors, a maximum of two are designated as the principal partners of the UCI cyclo-cross team. If neither of the two principal partners is the paying agent for the team, this paying agent may only be an individual or incorporated body whose sole trading income comes from advertising.

5.5.004 The principal partner(s) and the paying agent commit themselves to the UCI cyclo-cross team for a number of entire seasons.

5.5.005 The name of the UCI cyclo-cross team must be that of the company or brand name of the principal partner or that of one of both of the two principal partners.

5.5.006 No two UCI cyclo-cross teams, their principal partners or paying agents, may bear the same name. Should application for a new and identical name be simultaneously made by two or more teams, priority is given to the team which has used the name for the longer or longest time. Otherwise, the team that first submitted its application to the UCI shall receive priority for the name.

5.5.007 The nationality of the UCI cyclo-cross team must be that of the country where the head office or the domicile of the paying agent is located. In its request to the UCI for registration, the UCI cyclo-cross team must include a letter of approval from the national federation of the country of which it has the nationality. Such a letter recognises the UCI cyclo-cross team as being of that federation’s nationality and support its registration with the UCI under the terms of these regulations.

§ 2 Legal and financial status

5.5.008 The paying agent of the riders in a UCI cyclo-cross team must be a physical person or incorporated body legally entitled to employ personnel.
§ 3 Registration

5.5.009 Each year UCI cyclo-cross teams must register with the Union Cycliste Internationale for the subsequent cyclo-cross season. That registration is valid for the period between the 15th August and the 1st March of the next year.

5.5.010 UCI cyclo-cross teams must register their riders at the same time.

5.5.011 UCI cyclo-cross teams must submit their application for registration no later than 31st July of the year in question. No application first received by the UCI after 31st July is considered.

When applying for registration, a UCI cyclo-cross team must indicate:

a. the exact name of the team;
b. address details (including telephone number and email address) to which all communications to the UCI cyclo-cross team can be sent;
c. the names and addresses of the principal partners, the paying agent, the manager, the team manager, the assistant team managers, the assistants, the mechanics and other license-holders;
d. the surnames, first names, addresses, nationalities and dates of birth of the riders, the dates and numbers of their licenses and the authority that issued them, or a copy of both sides of the license;
e. a copy of the riders’ contracts in accordance with article 5.5.018 must be included.

5.5.012 Article 5.5.011 also applies to any changes to the riders and other staff for UCI cyclo-cross teams.

Such changes must be immediately submitted by the UCI cyclo-cross teams to the UCI. During the season as defined per article 5.5.009, no rider already registered with a UCI cyclo-cross team may join another UCI cyclo-cross team.

5.5.013 Only UCI cyclo-cross teams on the list approved by the UCI may receive benefits such as those listed in article 5.5.017.

5.5.014 By their annual registration, UCI cyclo-cross teams and inter alia their paying agents and sponsors undertake to respect the Constitution and Regulations of the UCI and their respective national federation and to participate in cycling events in a fair and sporting manner. The paying agent and principal partners are held jointly and severally liable for all the financial commitments of the UCI cyclo-cross team to the UCI and the national federations, including any fines.

5.5.015 The registration of the UCI cyclo-cross team with the UCI involves a registration fee that the team must pay by 31st July before the coming season. The amount is set annually by the UCI management committee.

5.5.016 When submitting its registration, each UCI cyclo-cross team must submit a colour graphic design of its team jersey, complete with sponsor logos.

This design can be changed once per season, after the authorization of UCI and only between the 1st and the 10th January. The UCI shall be informed before the 15th December.

All riders within one UCI cyclo-cross team are obliged to wear clothing that has identical major sponsor placement, identical color scheme, layout and identical overall look,
although the minor sponsors of men and women’s outfit can be different. In this case two designs must be submitted, one for men, one for women.

(article modified on 26.06.18)

   b. name of the team on the entry / start lists and results / rankings edited during a UCI cyclo-cross world cup;

   e. publication of the team’s name, composition, geographical and digital addresses on the UCI website;
   f. publication of the UCI cyclo-cross team ranking, based on the weekly UCI cyclo-cross individual ranking as per article 5.2.014.

§ 4 Contract of employment

5.5.018 A rider’s membership of a UCI cyclo-cross team requires a written contract of employment to be concluded which must contain as a minimum the provisions of the standard contract in article 5.5.024.

The contract must also make provision for the payment of indemnities to the rider in the event of sickness and/or accident.

5.5.019 Any clause agreed between the rider and the paying agent that impinges on the rights of riders as provided for in the standard contract or the joint agreements is null and void.

5.5.020 Any contract between a team and a rider must be drawn up in at least three copies. One original copy must be forwarded to the UCI with exact financial amounts for salary and bonus payments. The confidentiality of these data is ensured.

5.5.021 On the expiry of the term of the contract, the rider is free to enter the service of another paying agent. No system of transfer fees is permitted.

Before the expiry date of the contract, transfers of riders are only permitted if a global agreement in writing is reached between the three parties concerned: the rider, his current paying agent and the new paying agent, and with the authorisation of the UCI.

§ 5 Dissolution of a team

5.5.022 A team must announce its dissolution or the cessation of its activity or its inability to respect its obligations, at the earliest opportunity. Once this announcement has been made, riders are fully entitled to contract with another team for the following season or for the period starting at the moment announced for the dissolution, the end of activities or the inability to perform.

§ 6 Penalties

5.5.023 Should a team, as a whole, fail or cease to meet all the conditions of the relevant UCI regulations, it may no longer participate in cycling events.
§ 7  Model contract between a rider and a UCI cyclo-cross team
